

PACKARD Accessories...Traditionally Distinctive

Traditionally distinctive Packard accessories for 1956 are styled and engineered for added safety, comfort, convenience, and beauty . . . and they harmonize with beautiful Packard and Clipper styling.

Two Fine Packard Radios "Signal Seeker"

Touch of Station Selector brings you strongest station in vicinity. Next touch brings you next strongest station, and so on. Also features push button and manual controls.

"Push Button"

Permits choice of programs at touch of your finger. Also manual control.

Choice of 3 Antennas:

Electric, Manual and a dual set for Rear Fenders.

Rear Seat Speaker

Synchronizes with front speaker for stereophonic sound. Also operates separately.

"Signal Seeker"

"Push Button"

PACKARD
Accessories**Fresh Air Heater
and Defroster**

Set control maintains constant temperature with thermostat. Defroster eliminates windshield frost and fog. Rear seat heater also available.

Air Conditioning

Fully adjustable Packard Air Conditioning cools, filters, and dehumidifies air in your car in hot weather.

Rear Window Defroster

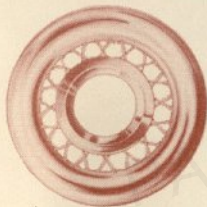

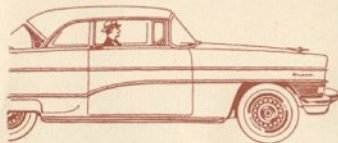

Operates simultaneously with Windshield Defroster to keep rear window clear of fog, snow, and frost.

Side Sill Moulding

Stainless steel mouldings protect Clipper below doors. Accentuate long, low appearance.

Wire Wheel Trim Rings

Adds Sports Car dash with stainless steel spoke rings. Snap-lock on present wheels.

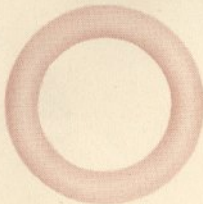

Chrome Wheel Rings

Striking chrome bands circle each wheel with gleaming dignity.

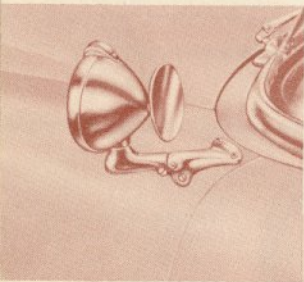

Wheel Trim Rings

An added touch of individuality in good taste.

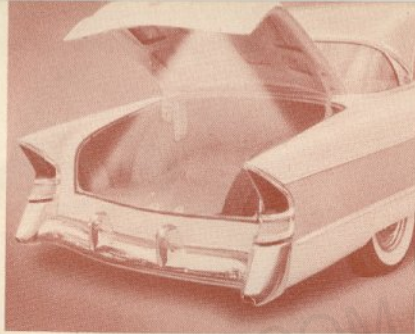

White Wheel Rings

White baked enamel adds beauty to wheels.

Spotlight with Built-in Rear View Mirror

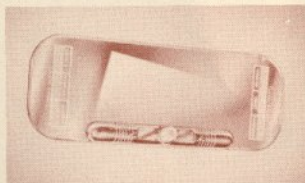

Handsome chrome finish. Driver-operated pistol grip control inside car also adjusts attached rear view mirror.

Trunk and Utility Light

Automatically illuminates trunk when lid is opened. Detachable for use as utility light, with 16½ feet of cord.

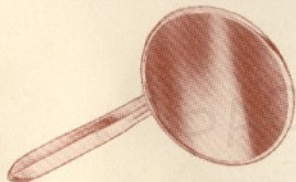

Packard Vanity Mirrors
Illuminated Mirror

Built-in light illuminates viewer's face.

Standard Mirror

Clips on visor.

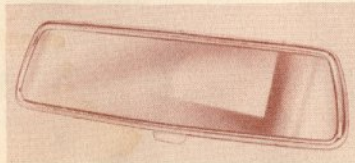

Side Mount Rear View Mirror

Gives full safe view of cars approaching from rear at the side.

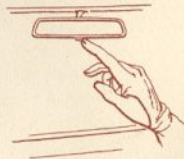

Traffic Light Viewer

Quick glance at prismatic viewer enables driver to easily see overhead traffic lights.

Glare-Proof Rear View Mirror

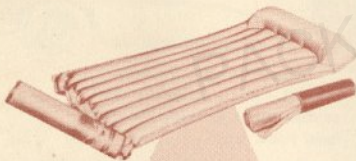

Flick of finger reduces headlight glare from rear at night.

Cushion Topper

Fits snugly to protect seat. Easy-to-clean. Choice of upholstery-matching colors.

Air Mats

Waterproof vinyl plastic (24" x 78") inflates easily for hundreds of uses—swimming, camping, or picnicking.

For surf riding

For extra house guests

For swimming

For picnicking

For camping comfort

... or for relaxation

Gasoline Door Guard

Protects paint around fuel door opening. Gleaming chrome finish adds to car's beauty.

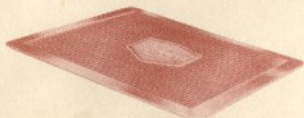

License Plate Frame

License plate completely enclosed in chrome plated brass frame with shatter proof window.

Window Ventshades

Chromed stainless steel—gives year-round protection, reduces drafts, permits window opening in wet weather.

Floor Mats

Protects floor coverings from excessive wear. Choice of style and color.

Accelerator Pedal Pads

Deeply-ribbed rubber protects floor covering from heel wear.

8
PACKARD
Accessories

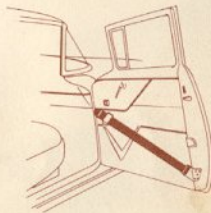

Seat Belts

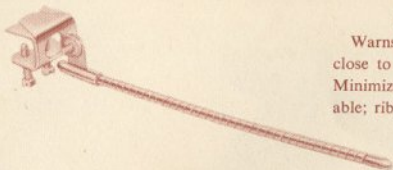

Similar to safety belts used by airlines. Protects both child and adult passengers from hitting windshield or dashboard, hurtling out of seats, being thrown from car, and helps driver keep control in emergencies. Colors harmonize with car's interior.

Door Edge Guards

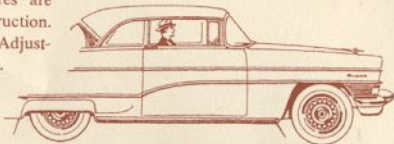

Protects door outer edges from chipping when opened against any object. Adds a distinctive look.

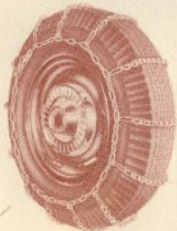

Curb Alarm

Warns you when tires are close to damaging obstruction. Minimizes tire scuffing. Adjustable; ribbon spring steel.

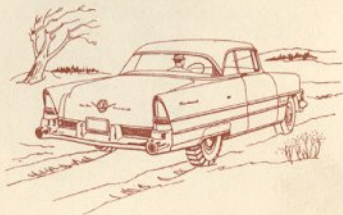

Brake Fluid Safety Reservoir

Feeds fluid to brake cylinder when required.

Tire Chains

Packard rugged, round road-tested Tire Chains. Digs you out of heavy snow—gives you security in bad weather.

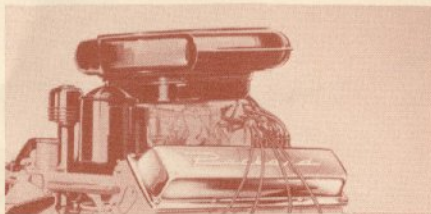

PACKARD Accessories

Packard Oil Filter Cartridge

This cartridge specially developed for your Packard-powered engine. Replace cartridge every 4000 miles.

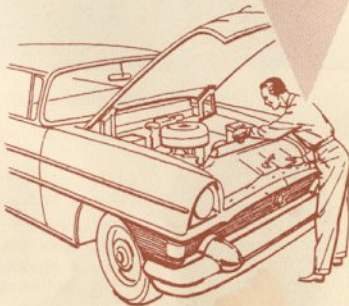

Chrome Valve Covers

Add beauty to the Packard power plant.

Permanent Type Anti-Freeze

Recommended cooling system protection. Can't boil away; anti-rust; odorless.

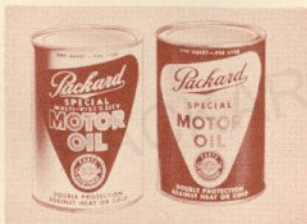

**Automatic
Transmission Fluid**
