FACTORY SERVICE PARTS ANNUAL INVENTORY

TO BE NOTED AND INITIALED BY

Gentlemen:

On July 29th, 30th and 31st we will take our Factory Service Parts annual inventory and on these three days we will be unable to make parts shipments. We ask that you order your parts in the regular way without attempting to build up your inventory, but be sure that you are thoroughly covered so it will not be necessary for you to wire us or expect us to ship parts on these three days.

We ask that you co-operate with us, for we must take this inventory and on these three days we will be very actively engaged in counting and checking our parts, therefore it would be impossible to make shipment.

Please assist us in every way possible by checking your records at this time and make sure that you will not depend on us to ship parts during these three days.

Shipping will be resumed on Thursday morning, August 1st and we will immediately clean up the three-day accumulation of orders which we must hold up.

Very truly yours,

PACKARD MOTOR CAR COMPANY
