To PACKARD DISTRIBUTERS AND DEALERS

Subject NEW DESIGNED TOOLS

Gentlemen:

One of the subjects taken up at the last Service Managers' Convention held June 19th, was that of special tools. It was agreed by all the Service Managers that when a new tool is designed and carried in stock, which will not list over \$5.00, that we would ship these to the Distributors without them issuing an order.

We are, therefore, forwarding to all Distributors, ST-743, Shock Absorber Wrench and ST-744, Punch and Anvil for riveting on the valve chamber cover gasket.

DEALERS: PLEASE ORDER IN THE REGULAR WAY.

Yours very truly,

PACKARD MOTOR CAR COMPANY
