Subject SUPPLEMENT NO. 3 TO PARTS PRICE BOOK NO. 29

Effective April 1, 1937

Gentlemen:

Attached are additions, changes and cancelations of suggested parts prices affecting Parts Price Book No. 29, of October 1, 1936.

The revised suggested prices should be written next to the prices shown in your Parts Price Book.

The new numbers are numerically arranged and should be inserted in the back of your Parts Price Book.

The prices to be removed should be crossed out of your Parts Price Book, as the activity of these parts is such that we can not continue the suggested prices shown in the book.

Yours very truly,
