Subject RADIATOR CLEAN-OUT TOOL

Gentlemen:

May we call your attention to the Fit-All Radiator Clean-Out Tool. It fits all makes of cars and is used for cleaning and flushing out the radiator and cylinder block. It is easily attached with the radiator on or off the car.

It will, we believe, go a great way towards keeping the motor at the proper temperature.

We are attaching a circular which explains in detail the working of this tool and believe the price reasonable at \$15.40.

Yours very truly,

PACKARD MOTOR CAR COMPANY
