Subject NEW 7.00 x 19 LYON TIRE COVERS

TO BE NOTED AND INITIALED BY

Gentlemen:

Recently tire companies have increased the width of the tread on 7.00 x 19 tires. The present 7.00 x 19 Lyon Covers will not fit the new Firestone Tires. It will fit all the others.

We have, however, secured tire covers that will fit not only the Firestone Tires but all the 7.00 x 19 tires. They should be ordered under the following piece numbers:

PA-2678 - (7.00 x 19) - Prime  
PA-2679 - (7.00 x 19) - Black Enamel  
PA-2680 - (7.00 x 19) - All Chrome  
PA-2681 - (7.00 x 19) - Outer Ring Chrome and Black  
Enamel Side  
PA-2684 - (7.00 x 19) - Outer Ring Chrome and  
Lacquered Side  
PA-2862 - (7.00 x 19) - Outer Ring Chrome and Prime Side  
PA-2683 - (7.00 x 19) - Lacquered

These covers are a little too large to fit 6.50 x 20 tires. Please order covers for them under the old piece numbers, as shown in the price list of March 1, 1931.

We do not believe that you need anticipate any trouble with your present stock as you will note from the above that the present cover can still be used on all tires, with the exception of the new Firestone.

Yours very truly,

PACKARD MOTOR CAR COMPANY
