Subject PARTS PRICE INCREASES

TO BE NOTED AND INITIALED BY	

Gentlemen:

Costs have been increasing to such an extent that we find it necessary to send out changes affecting Parts Price Book No. 26, as of November 1, 1934.

Attached is a list of the new suggested list prices, together with the discount symbol.

There are a few numbers listed that apply to Twelfth Series parts which will not be found either in the Parts Price Book or the later supplement. These should be added in your present book.

These changes do not affect the Maintenance Manual operation prices. The "Equipment" prices, however, should be changed, and new blue insert sheets will be sent out shortly.

Yours very truly,

PACKARD MOTOR CAR COMPANY
