Subject SPECIAL SERVICE EQUIPMENT INSERTS (Correction Sheet)

TO BE NOTED AND INITIALED BY	

Gentlemen:

We are attaching one set of four sheets which are to be placed in your Service Maintenance Handbook to replace those now carrying incorrect prices.

It is quite important that each Handbook with regard to special equipment be kept up to date, especially in the matter of prices and we urge you to order a sufficient number to take care of those being used in your organization.

Yours very truly,
