Subject SUPPLEMENT ON SPECIAL TOOLS FOR THE ONE TWENTY MODEL

Gentlemen:

We are mailing one copy of the supplement on Packard Special Tools for the One Twenty Model.

On the last page of this supplement there is a numerical index showing the tool number, name, and price of each tool listed.

We suggest that you check this very carefully and order the necessary equipment to enable your mechanics to do better work in less time and at a lower cost. Good equipment is a profitable investment and will pay for itself many times in the servicing of cars.

This supplement should be inserted in the back part of the Tool Catalog, date of January 1935.

Yours very truly,

PACKARD MOTOR CAR COMPANY
