Subject PACKARD MAINTENANCE CHARGE MANUAL INSERTS FOR THE ONE TWENTY MODEL

Gentlemen:

A complete set of inserts are being forwarded under separate cover for One Twenty repair operations, times, and material prices. These are printed on colored sheets and should be inserted alphabetically in your present Maintenance Manual.

Time studies were made on every operation, and the time set is fair to the Packard owner, the mechanic doing the work, and the service department.

Prices on material conform with the Parts Price supplement of June 29, 1935. A copy of this is included and should be added to your Parts Price Book No. 27.

Additional copies of 120 Repair Operations can be obtained for \$.50. Binders are \$1.00 each. Parts Price Supplements are available at no charge. Use Literature Order Form VTA-24.

Yours very truly,
