Subject AVAILABLE CUSTOM CARS

TO BE NOTED AND INITIALED BY	

Gentlemen:

Due to the recent increased demand for Packard Custom cars our stock of LeBaron bodies is nearly depleted. There are available, subject to prior sale, two style 294 A. W. cabriolet bodies and one style 295 town car body for which we can accept your orders and specifications for shipment about seven weeks from date of placing order.

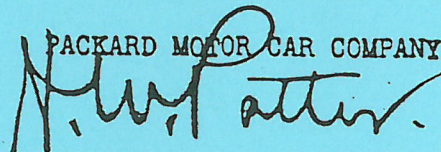

Following is a list of LeBaron Custom cars which are available, subject to prior sale, for immediate shipment.

Standard paint and trim specifications for these cars are - Paint - Black with Ivory Stripe. Upholstery - rear compartment Laidlaw 749-D, front compartment AR-3 black leather. Rear quarters are covered with black turtle grain leather. The Mechanical Specifications Booklet for Fourteenth Series Packard cars contains illustrations and other details of these Custom cars.
