

OWNER'S RESPONSIBILITY

Much of the pleasure and satisfaction to be obtained from your car depends upon correct maintenance and regularity of lubrication and adjustment. To assure the protection of your investment, this work should be done by your Packard Dealer where trained men can be depended upon to make these adjustments satisfactorily and to use the proper lubricants at every point requiring attention.

Follow the break-in instructions recommended by the Factory.

Oil should be added to the crankcase as required to keep it up to level.

The fluid level in the Ultramatic Drive should be checked every 1,000 miles, and, if necessary fluid added to maintain the proper level.

The rear axle lubricant must be changed at the approach of cold weather. Only an approved lubricant should be used. The precision built into these gears can be quickly destroyed by lack of attention to this precaution.

Maintain recommended tire air pressure and check each week.

Distilled water should be added to the battery as required.

Keep radiator filled at all times. Provide proper anti-freeze during winter months and Rust Preventive at other times.

Since Manufacturer is supplying chrome (in accordance with Government regulations) which requires special care, it is owner's responsibility to protect chrome parts on his car in accordance with red card entitled "Important Notice" which is attached to the car instrument panel.

Owners are urgently requested to read "Operation and Care of Your Packard."

PACKARD OWNER'S SERVICE POLICY

We issue this "Packard Owner's Service Policy" to furnish you with credentials needed to obtain the benefits of the "Manufacturer's Warranty" and to describe the additional services provided by us as an independent business organization.

- 1 DELIVERY PREPARATION** — We have given your new Packard car careful inspection and adjustment before delivery in accordance with Packard Motor Car Company's recommendations.
- 2 OWNER IDENTIFICATION CARD** — We have also issued to you an "Owner Identification Card," which is supplemental to the Owner's Service Policy, and provides convenient evidence of the date of original purchase, the vehicle identification, and our name as the selling Packard Dealer. It is primarily intended for your use when touring.
- 3 SERVICE DURING THE WARRANTY PERIOD** — If your new Packard car does not function to your entire satisfaction during the first 90 days or 4000 miles of operation, whichever occurs first, and the difficulty can be remedied by adjustment, we will, during such period, furnish this service to you without charge, provided the difficulty is not due to misuse, neglect, or damage due to accident or otherwise.

If in our judgment the replacement of an original part (except tires) is required because of a defect in material or workmanship, we will, during such period, make the replacement, and present your account for this service to the Manufacturer for payment under the terms of the "Manufacturer's Warranty," printed in "Operation and Care of Your Packard," provided your new Packard car has not been repaired or altered in any way so as in our judgment to affect its stability or reliability, and has not been subjected to misuse, neglect or accident.

Due to present or prospective material shortages caused by the national emergency, or for other valid reasons, we reserve the right hereunder, in making replacements, to use parts, accessories, or equipment made of such materials and of such specifications as in our or the Manufacturer's absolute discretion shall appear proper, without regard to the composition or specifications of the items replaced, or to refrain from making any such replacement should such course appear advisable to us or to the Manufacturer.

- 4 1000 and 3000-MILE INSPECTION AND ADJUSTMENT** — We will perform the services as listed on the attached coupons without charge. In the event you are 50 miles or more away from our Service Department when these services become due, and if this Service Policy is validated in the manner as indicated on the face thereof, you may obtain the services without charge from any Packard Dealer, who will be reimbursed by us.

3000 MILE COUPON INSPECTION AND ADJUSTMENT

The service listed will be performed between 3000 and 4000 miles of operation without charge by us as indicated in paragraph 4 of the Service Policy. Lubricants, anti-freeze or other materials ordered will be paid for by the customer.
