To: ALL DEALERS AND BRANCHES:
Subject: RECOMMENDED SPARK PLUGS

In order that there may be no misunderstanding with respect to the standard recommended spark plugs for car models from the Sixth Series on up, the factory recommends that the Champion C-4 plug be used in the Sixth, Seventh and Eighth Series cars and that the A-C #K-7 be used in the Ninth and Tenth Series cars.

Of course, there are certain driving conditions that would require either a cooler plug or a warmer plug in any of these models and these plugs are available, but, for general all around use, the plugs above mentioned seem to be the most satisfactory.

N. H. Peterson,
General Manager of Service.
