Service Bulletin

To: ALL DEALERS, BRANCH MANAGERS, BRANCH SERVICE MANAGERS, MESSRS: W. R. BELLOWS, F. A. OTTE, H. BEST, J. H. LINN.
Subject: ELEVENTH SERIES NEW CARS.

In connection with the new Eleventh Series line of cars, the factory is extremely anxious that a report be given them covering any condition which may develop in them, either as demonstrators or cars that are being delivered to customers, that are other than standard.

We ask your co-operation in this respect and wish you to write this office giving a description of the car, a full description of the condition which has developed and the remedy for correcting the condition.

By sending in this information promptly, we will assist the factory in making it possible for them to improve their production as time goes along.

N. H. Peterson,
General Manager of Service.
