SUBJECT: PACKARD CHROME PLATED VALVE COVERS

Chrome Plated Valve Covers - that distinctive touch of beauty added to a power plant already crowned in all its glory. Imagine the look in a prospect's eyes when you open the hood on a showroom car and he sees that engine, trimmed in flashing chrome, truly a jewel in performance and appearance.

It's human nature to want to be different, and that's what you'll find when you promote chrome valve covers to your new car prospects.

Order a pair for each of your showroom cars, plus an additional quantity for future installations. Here's a brand new item for a brand new car, and both of them are "hot" - what an advantage!
