To: REGIONS, ZONES, AND DEALERS

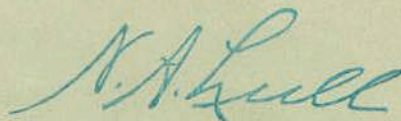

Subject: CONVERTIBLE TOP CAMPAIGN, MODELS 2259-2279

Supplementing Service Technical Bulletin, Dealer 47T-24, the following table lists the effective point at which convertibles with the new style trunk hinge support were built.

| <u>Model</u> | <u>Trim<br/>Code</u> | <u>Serial No.</u> |
|--------------|----------------------|-------------------|
| 2259         | 412                  | 2227              |
|              | 414                  | 2325              |
|              | 415                  | 2330              |
|              | 416                  | 2208              |
|              | 419                  | 2354              |
|              | 426                  | 2333              |
| 2279         | 214                  | 5036              |
|              | 215                  | 5037              |
|              | 216                  | 2591              |
|              | 219                  | 5047              |
|              | 226                  | 5053              |

This correction was made in production on all model 2279 convertibles shipped from the factory after October 18th and on all model 2259 convertibles shipped after November 25th.

Very truly yours,

N. A. Lull  
Service Technical Manager
