To assist in handling corrections referred to in Service Technical Bulletin 49T-11, Dealer 9, when necessary, within the warranty, and where no parts are replaced, a labor allowance at 1/2 the Dealer's registered labor rate will be made for the time listed under Operation E-39 or E-57 in the 22nd Series 1948 Flat Rate Manual.

Zones may authorize this labor allowance at their discretion on justifiable claims presented beyond the warranty but no general campaign is to be approved.

Very truly yours,
