SUBJECT: CARPET SCREWS - 24TH SERIES

Two screws and ferrules are furnished with each car for holding the rear corners of the front carpet and the front corners of the rear carpet in place.

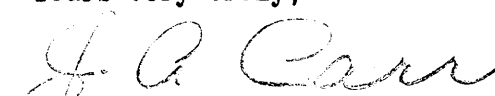

The envelope containing the two screws and ferrules will be found in the bonnet ornament box, or the bag for the tilt mirror, cigar lighter, etc.

The screws and ferrules are to be used when the carpets are installed on pre-delivery inspection.

Illustration shows location and attachment of the screws and ferrules.
