Subject: ULTRAMATIC TRANSMISSION REAR OIL PUMP DRIVER

The Ultramatic transmission rear oil pump driver has been hardened to reduce wear. It started in 56th Series production with transmission serial numbers A-1011 and B-1033.

The new hardened rear oil pump driver is available for service replacement and may be ordered under part number 6489103.

This new driver also fits the 54th Series "Gear-Start" transmissions and the 55th Series "Twin Ultramatic" transmissions.

Very truly yours,

H. N. Johnson
Assistant Service Manager
