

# **Packard** **SERVICE** **TECHNICAL** **Bulletin**

55T-8  
Dealer 7  
January 31, 1955

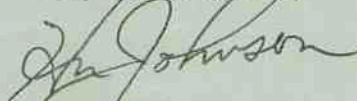

To: ZONES AND DEALERS

Subject: TORQUE SPECIFICATIONS

Attached is one copy of the torque specifications covering the 55th Series cars. In most all instances, these specifications will apply to earlier models.

Occasionally a torque specification will be changed by Engineering, at which time you will be notified by a Technical Bulletin or an article in the Service Counselor. We suggest you make these changes in this booklet so as to keep the torque specifications up-to-date.

Very truly yours,

  
H. N. Johnson  
Assistant Service Manager
