

PACKARD MOTOR CAR COMPANY**DETROIT MICHIGAN**

August 15, 1924

TO BE NOTED AND INITIALED BY	

To **PACKARD DISTRIBUTERS AND DEALERS**Subject **REVISION OF PRICES ON BALLOON TIRE EQUIPMENT****Gentlemen:**

This letter supersedes and cancels Trade Letter T-2036.

The following prices on Six and Eight balloon tire equipment will be effective on cars equipped at the Factory and shipped on or after August 15:

Eights - Additional charge \$40.00 list.

Sixes - Sport model, additional charge \$50.00 list.
All other models, additional charge \$80.00 list.

These prices are subject to the same discount as applies on the cars for which they are specified.

Either Firestone or Miller tires will be shipped when balloon tires are specified, the make depending upon Factory stock.

Size 7.30 (about 34" x 7.3") will be used for the Eights, and size 6.20 (about 33" x 6.2") for the Sixes.

No specifications will be accepted for balloon tires on wooden wheels. Therefore, all balloon tire equipment specified for any Packard Six model other than the Sport model will be understood to include steel wheels. Steel wheels are, of course, standard for Six sport models and all models of Eights.

Very truly yours,

PACKARD MOTOR CAR COMPANY
