FIVE-PASSENGER COUPE - BODY TYPES 407-417-427

Gentlemen:

The folding auxiliary seat which can be used instead of the standard right front bucket type seat in five-passenger Coupe body types 407-417-427, as explained in General Letter G-197, can be installed in any of the bodies of these types which you have in your possession or which your customers now have and desire to change. We are now in a position to supply from our Service Department folding seats for these body types, together with the detail parts to enable you to make this change. These should be ordered under the following equipment numbers:

Suggested List Prices

(Material Only)

	<u>Body Type</u>	<u>Zone 1</u>	<u>Zone 2</u>	<u>Zone 3</u>
179281	Folding Seat Equipment 407	\$50.00	\$52.45	\$58.05
179282	Folding Seat Equipment 417	62.50	65.80	72.10
179283	Folding Seat Equipment 427	136.65	143.85	157.70

These equipments include the folding seat trimmed assembly, brackets and supports for attaching and the rear floor carpet. When ordering, be sure to specify set number of trim with which the seat is to be trimmed and which the carpet must match.

To make the installation it will require approximately 3.0 hours labor, the operations being: remove front carpet and bucket type seat, lay out holes for new type seat bracket, chip floor board to clear seat bracket, drill eight holes in floor board for bracket bolts, fasten front seat to floor and cut and bind front carpet.

Blue prints showing location of the front floor board notches and the bracket bolt holes are furnished with each equipment.

There will be no credit allowance for the standard seat or carpet which is removed.

Very truly yours,
