PRICE BOOK NO. 24

TO BE NOTED AND INITIALED BY

Gentlemen:

We are mailing under separate cover, one copy of Price Book No. 24 which includes the suggested parts prices for the 905 and 906 Twin Six models. These are the suggested list prices to the owner and are effective October 1, 1932.

Kindly discontinue using your present price book No. 23, and the charts attached to Trade Letter T-2577 and start using this latest edition as of the above mentioned effective date.

Deducting your regular discount from the new list prices will give you your actual net. This net is not brought to the 0 or 5 as we did formerly.

This book is of loose-leaf type and may be inserted in the present Parts Book.

Additional copies may be ordered from the factory at \$2.00 each.

Yours very truly,
