To: PACKARD DISTRIBUTERS AND DEALERS

Subject: OPTIONAL PAINT SCHEMES AND STANDARD UPHOLSTERY
ON 1941 MODEL PACKARD CARS

Gentlemen:

This letter cancels and supersedes Trade Letter T-3025. We have found it advisable to discontinue paint schemes Q, U, Y and Z, also to change paint schemes G to GA adding a tan upper works instead of the gray that was formerly used. Paint scheme F is changed to paint scheme FA with a new two tone blue combination. These changes are being made to give you color schemes that will be harmonious rather than contrasting colors. Unless we hear from you to the contrary, any orders that we have in our file for paint schemes F and G will be changed to FA and GA when the new paint is available.
