Subject, Coupe Folding Seat

An extra support for the Packard Six Coupe folding seat has been developed which may be applied to any vehicle now in service.

The attachment of the support is shown in the illustration and you should order for each car—

- 1-0126488—Folding Seat Support Assembly
- 2- 4994—Wood Screws

These supports will be charged to your account in the regular way, and upon receipt of your advice to the effect that the installation has been made at no charge to the customer (giving the motor number and date of installation) we will issue an offsetting credit.

In order to obtain this credit all installations must be reported not later than August 1, 1923. After this date parts are to be supplied to the customer only as a direct sale.

Yours very truly,

PACKARD MOTOR CAR COMPANY.
