April 24, 1929

To: PACKARD DISTRIBUTERS AND DEALERS.

Subject: CARBURETOR CHANGE-OVER EQUIPMENTS
Models 426-433 526-533 443

TO BE NOTED AND INITIALED BY	

Gentlemen:

We can now furnish carburetor change-over equipments for models 426-433, 526-533 and 443 of the improved design and of the same type as is being used at present in the production of all sixth series cars.

These improved carburetor change-over equipments for these models will be handled on a direct sale basis as there will be no credit allowance for the return of the old carburetors removed.

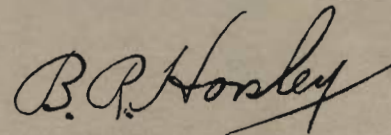

We are listing the piece numbers of the equipments which include the carburetor and all the necessary parts for installing, also the suggested zone list prices.

		Suggested Prices		
		Zone 1 List	Zone 2 List	Zone 3 List
97567	Motor Carburetor Change-Over Equipment Models 426-433 526-533	\$20.00	\$20.95	\$23.20
97566	Motor Carburetor Change-Over Equipment Model 343-443	25.00	26.20	29.00

Any amount of these which are required should be ordered in the regular way and under these part numbers.

Very truly yours
