TO BE NOTED AND INITIALED BY	

To PACKARD DISTRIBUTERS AND DEALERS

November 10, 1936

Subject REAR AXLE LUBRICANTS  
(Supplementing T. L. 1981)

Gentlemen:

Technical Letter No. 1981, issued July 15, 1936, included a list of approved hypoid lubricants.

Since that time several other lubricants have been tested and approved. The list which follows completes our recommendations to date.

<u>Trade Name</u>	<u>Manufacturer</u>
Alemite Hypoid E. P. SAE-90.	Alemite Corporation
Atlantic Hypoid Gear Oil.	Atlantic Refining Company
Elco 28.	Elco Oil & Grease Company
Enterprise Hypoid Compound.	Enterprise Oil Company
Fiske's Hypoid Gear Lubricant SAE-90.	Fiske Bros. Refining Company
Floyd No. 29 Hypoid Extreme Pressure Lubricant.	Frank Harris Floyd, Inc.
Gilmore Special Hypoid Differential Lubricant	Gilmore Oil Company
Hyvis Hypoid Lubricant SAE-90.	Hyvis Oil, Incorporated
Ironsides #132 Automotive Gear Shield.	The Ironsides Company
Jesco Grade "A" E.P. Lubricant.	Jesco Lubricants Company
Marquette E.P. Lead-Soap Lubricant SAE-90.	Marquette Petroleum Products
Marvelube Expee Gear Oil SAE-90. Multimotor Gear Lubricant SAE-90 E. P.	Imperial Oil Company, Limited Standard Oil Co. of California
Pennzoil Gear Compound #612	Pennzoil Company
Penola Expee	Penola, Inc.; and Standard Oil Co. of New Jersey
Quaker State Hypoid Gear Lubricant, SAE-90.	Quaker State Oil Refining Company
S/V Hypoid Gear Lubricant	Socony-Vacuum Oil Company
Sohio Leaded Compound SAE-90.	Standard Oil Co. of Ohio
Special Hypoid Gear Lubricant SAE-90 E.P.	Standard Oil Co. of California
Texaco Hypoid Lubricant SAE-90.	Texas Company
Veedol Hypoid Gear Lubricant	Tidewater Oil Company
Viscote Extreme Pressure Hypoid Lubricant SAE-90.	Valvoline Oil Company
Whitemore's C-H.	Whitemore Manufacturing Co.

This list will be increased as further lubricants are tested which are found to be satisfactory. The list is also subject to change if our tests show a loss of the proper characteristics in any of the lubricants already approved.

Due to the fact that the engineering department now offers several different options on rear axle lubricant, we have decided to discontinue supplying a lubricant through the factory accessory department and, therefore, suggest that you purchase it wherever it is the most convenient.

Very truly yours,

PACKARD MOTOR CAR COMPANY

T. A. Stalker
